Prayer: PRESENCE

Worship: Waiting here for you Christie Knockles

Spirit of the Living God Vertical Worship Band

Ask God what Animal He would like to be for a specific person and why:

Ask God to show you an animal and one attribute of that animal. Write it on an index card. Gather in a big circle. I'll read Psalm 136 and every time you hear the word THANK or THANKS, pass your card to the left. When you hear the word LOVE or LOVES pass the card to the right. When you hear MIRACLE OR MIRACLES that's your WILD card. Throw your card in the air and pick up a different one and continue. The card belongs to the person when the scripture ends.

How does God want to clothe you right now?

Get in groups of 5, ask God to show you how He wants to clothe the highlighted person in the group. Either sketch, write, or act out what He shows you. Someone end in prayer. Switch. 5 mins each.

Accentuate Delivery:

Not only can we give a prophetic word, but we can actually deliver the Father's heart by expression or a prophet act. Try to focus on VOICE, FACE EXPRESSIONS, and GESTURES and so on. This connects the receiver by actually visualizing and having an emotional experience. After a prophetic word the enemy may come to pluck it away with doubt but if we remember an experience with the word we can stand even stronger. The purpose of this exercise is increasing coherence of what we say and how we say it, making it easier for people to receive our prophesy and decreasing doubt and distraction. WE DON'T ONLY WANT TO DELIVER A MESSAGE BUT ALSO THE HEART OF God (FEELINGS, HOPE, MERCY, and LOVE) THAT HE CARRIES TOWARDS THIS PERSON. IT's a method they use in movies and music all the time, why not use it for the kingdom to remind us of His Love and purpose for our lives?

Prophetic Intercession:

Form groups of two (it's best to be with someone you don't know very well). One person is praying the other is receiving. The praying person gets silent and listens to what God is saying. Then without the other person saying anything, you just pray what you feel God is showing to you over the other person. Take time to focus again, be silent and hear again during the time of prayer. It's OK if there is silence for some time. Do this for 5 minutes, then switch. This is less about prophesying than about growing in prophetic intercession (=praying what God tells us to pray), which will enable us to pray over others more powerfully. 5 Mins each.
